5th July 2021

Dear parents and students,

We hope this finds you and your family well.

With the impending finish to the Summer Term, this is a good opportunity to communicate with you the process of 6th Form results allocation and enrolment. In an academic year, where no external exams have taken place, we appreciate this will be different to 'usual'. We would like to invite only Year 12 students collecting AS / A Level TAG results to arrive at school **from 12.30pm on Tuesday 10th August**.

We will have staff on hand to support students with their results collection and enrolment into Year 13.

We acknowledge this will be later in the day, however I am sure you will appreciate we have prioritised Year 13 students in the morning to support them with their Post-18 pathways. This process has also been arranged to ensure we are meeting the restrictions around public health guidelines; therefore, it is vital students adhere to this time. Students are to arrive through the front reception and make their way to the Main Hall.

On results day, we will also be providing support for students who may be disappointed with their results. Mr Hyde will be writing to you shortly with further information about this year's TAGs, including the appeals process. Please read through this information carefully before contacting the school. We will endeavour to do our utmost to support students with this process.

For those students that have not entered for an AS / A Level TAG, enrolment will take place in school WB 19th July. This will be arranged in students' form time, so all students have the opportunity to consider their pathway and acknowledge their intentions to carry on their studies in Year 13. If you do have any questions regarding enrolment, please do let us know.

Can I take this opportunity to say how great Year 12 students have been during a year which has been turbulent, their resilience really has shone through. We are really proud of them and all their achievements.

If you have any questions, please do not hesitate to contact me on dstephens@highamparkschool.co.uk

Best wishes,

Mrs Stephens

Assistant Principal

Head of 6th Form

Highams Park School
