5<sup>th</sup> July 2021

Dear parents & students,

We hope this finds you and your family well.

With the impending finish to the Summer Term, this is a good opportunity to communicate with you the process of 6<sup>th</sup> Form results allocation. Year 13 students will receive their Level 3 results via their **school email account from 8.30am on Tuesday 10<sup>th</sup> August.**

We would then like to invite those students that require support for their future pathways to arrive at front reception between **9.00am – 11.30am**. We will have staff on hand to support students with their queries for their Post-18 pathways.

We appreciate that parents / guardians may wish to accompany their child into school. We request that if necessary, this is kept to one parent / guardian so we can maintain the requirements of the public health restrictions.

On results day, we will also be providing support for students who may be disappointed with their results. Mr Hyde will be writing to you shortly with further information about this year's TAGs, including the appeals process. Please read through this information carefully before contacting the school. We will endeavour to do our utmost to support students with this process.

If students do not require support after receiving their results via email, please can we request that students do not attend school, but await the hard copy of their results that will be sent to them via post. If you also have a matter that is not of an urgent nature, could we also encourage you to email any queries to our 6<sup>th</sup> Form Secretary, Jenny Browne ([JBrowne@highamparkschool.co.uk](mailto:JBrowne@highamparkschool.co.uk)) rather than arriving at the school.

Can I take this opportunity to wish students all the best in their future career path. It has been a pleasure to have them with us in Highams Park 6<sup>th</sup> Form. We encourage students to stay in contact with us to let us know how they are getting on. We will be welcoming students back to us in January 2022 to celebrate all their success. We shall send a letter in due course to invite students to this event.

Well done again all!

Best wishes,

**Mrs Stephens**
